Mismanagement in AIIMS

† 540. SHRI RAMA SHANKER KAUSHIK: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the steps Government have taken, so far, to do away with the mismanagement and lawlessness prevailing in AIIMS along with the result thereof; and

(b) the arrangement proposed to be made by Government to provide temporary shelters according to the prevalent seasons to the patients coming there for treatment and also their relatives accompanying patients to look after them?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA) (a)There is no mismanagement and lawlessness prevailing in All India Institute of Medical Sciences. A large number of patients from all over the country come to the Institute for treatment. Every day, on an average 6000-7000 patients come to OPDs for treatment and there is thus an abnormal rush in OPD in AIIMS. Construction of the screening OPD/extension of existing OPD have been proposed in the new Master Plan which will reduce the OPD patient load. Construction of Trauma Centre is to be completed within 6 months.

(b) At present, one Dharamshala namely Rajgaria Vishram Sadan having a bed capacityof 102 beds is functioning in the AIIMS. 2 more Dharamshalas for patients and attendants i.e. Satya Sai Dharamshala and Surekha Dharamshalas having bed capcityof 103 and 164 beds respectively are to be operationalised within one month.
